**FILM PERSONALIZATION**

In the production of a film which covers 9 days of Rallying with 55 rally cars it is impossible to cover all the drivers in the event.

The organisers and Sitatunga Films will offer a service to "personalize" one copy of a DVD for any driver would like to have a special record of his participation.

If you subscribe to this personalized service then Sitatunga Films cameramen will use footage of your cars action and also conduct interviews with you to make an extended version of the "official film" incorporating your interview and film car action shots just for you only.

Your special DVD will be sent to you after the event when the film is ready.

This personalized film service will cost **Euro 500 per entrant** and this should be booked and paid directly to Sitatunga films by contacting Marcus Baronet on the email below:
