

MICHEL PUCHERCOS

DRIVER (FRANCE) Resident in Kenya at present.

Michel has made several appearances in the local Kenya National Rally series with impressive results. Michel Puchercos is the Managing Director of Bamburi Cement in Athi River near Nairobi. He returns to the 2009 KQ East African Safari Classic Rally after a spirited first attempt at motor rallying in 2007 having never competed before driving a Datsun 180 B co-driven by Constant Vanaerschot a colleague from his company, where he finished 24th Overall in the 2007 KQ Safari Classic Rally.

His enthusiasm and determination to post better results and enjoy himself was evident. He promised to return.....this time is among the early entries received. He has purchased the Datsun 240Z owned by Mike Kirkland which was driven by John Lloyd in the 2007 event and had a bad roll in Tanzania.

The car has been repaired since and Michel drove in the 2008 KCB Safari Rally. The car is being tested in preparation for the 2009 KQ Classic Safari

CO-DRIVER (To be advised soon)

Car Details

The new colours of Mike Kirkland 'red' Datsun 240Z splashing through a river crossing in the 2008 KCB Safari Rally held in June this year. The car is prepared by Aircraft Leasing Services and will run as a member of their team.

Datsun 240Z and 260Z were the most popular make in the 2007 KQ Safari Classic with no less than 14 cars from the 58 entered.
