Date: May 24th, 2019

To All Competitors,

East African Safari Rally Limited, have commissioned Rai Productions Ltd to make a 53 minute official rally feature film of the 2019 East African Safari Classic Rally.

The organiser's have already arranged that this film will be shown on many TV stations after the event.

OFFER FOR FILM PERSONALIZATION - OPTIONAL

"The production of the 53 minutes film covers 9 days of Rallying for the rally cars and includes all the competitors on each day in the film. Our crews wait and film every car on every stage and try to cover all the competitors during the course of the event.

The organiser's will offer a special service to "personalize" a 5 – 10 minutes DVD for any driver who would like to have a special record of his participation.

If you subscribe to this personalized service then our cameramen will:

1. Take footage of your car at the Start and Finish ramps.
2. Take a minimum of 3 driver interviews during the course of the rally.
3. Film 5 times the end of the day service area scenes.
4. Action driving scenes from a minimum of 2 locations per day.
5. Inclusion of any personal in-car footage if the driver has his personal in-car camera. A copy must be handed to the Producer at the end of the event before you depart from Mombasa.
6. The fee for this service is USD 600 **per vehicle**, and must be paid to East African Safari Rally Limited prior to the event to guarantee the extra filming offered.

Your special DVD will be sent to you once the Official film is released and not before 01st February, 2020.

All this is subject to your car completing the rally route. No refund is available if you retire from the rally or if you do not complete all the sections of each day. We cannot film you if you are not there and we will not offer refunds for this."

If you need the service, please let us know to enable us to send you the invoice for payment.
